Arriving after closing time

Unfortunately you cannot access Secure Parking after hours. Alternative is to park on street or possibly in front of Hotel (if parking space is available) and relocate your vehicle the following morning to secure Parking. Please ensure that you observe all parking signs for further details as the Hotel cannot be held responsible should you receive a penalty notice.

After-hours access and roller door is shut

To gain access, there is a Pin Pad located on the Left Hand side of the After Hours Pedestrian Access Door. You can type in the Ticket Number (6 Digits in bold) located on the bottom Right Hand side of the original parking ticket that you were issued on entry to the car park and push open the door.

Discount Voucher does not work (what do I need to do)

During business hours you will need to contact the Attendant on site at Secure Parking.

After Hours please use the Help Points (Intercoms) located at each Entry / Exit and Pay Stations. The help point communications are manned 24 hours a day.

After Hours contact numbers are also displayed on a sign near the After Hours Pedestrian Door, or contact the Control Centre on 1300 802 722.

I lost my original parking ticket but I have a Hotel Discount Voucher

During business hours, see the Secure Car Park Attendant on site

After Hours use the Help Points (Intercom) located at each Entry / Exit and Pay Stations and they will instruct you in what to do.

I lost my Discount Voucher

Unfortunately, if you have lost your parking Discount Voucher (issued by the Hotel), you will need to purchase another voucher.

I want to exit with my car after hours

If you wish to remove your car from the Secure Parking, simply follow instruction for after-hours access. When at exit boom gate, insert original parking ticket followed by either Discount Voucher(s) or validated ticket from Secure Parking. When the boom gate rises, the roller door will automatically open as well.
